

Quality Clause 245100 – OEM Quality Documentation Requirements (07/29/2025 - Rev B)

Required quality records in support of product compliance (e.g. non-destructive test, certified material test report, dimensional inspection reports, regulatory body inspection certifications, etc.) associated with this purchase order shall be provided to the Buyer via email (see instructions below).

With regard to equipment supplied to ABS [classed] vessels, for which specific hardware certification is required, such certification shall be provided to Bird Johnson Propeller Company. If equipment supplied requires ABS certification, the Supplier must comply with Bird Johnson Propeller Company Quality Clause 240601.

Email documentation to BirdJohnsonCerts@fmdefense.com. The Bird Johnson Propeller Company purchase order (PO) number and Bird Johnson Propeller Company part number shall be referenced in the email subject line in the following format: "Report(s) for PO XXXXXXXXXX Part Number YYYYYYYY" or "Report(s) for PO XXXXXXXXXX, Multiple Part Numbers". Documentation must be legible and of reproducible quality. Files cannot contain macros or executables. No hard copy certifications are required to accompany the shipment.
